Reasons for Allowance

15. Claims 12-13 and 15-22 are allowed.

16. The following is the examiner's statement of reasons for allowance:

17. Claim 12 is allowable because the prior art fails to show or teach a lighting device for an interior of an article having a housing, a light source module and a handle, wherein the housing has substantially the same shape as the article, the light source module is coupled to a top portion of the housing and extends downward within the

housing, the handle portion is attached to the top portion of the housing and comprises a hinge for manipulating the handle between a first and a second positions, manipulating the handle to the first position facilitates carriage of the lighting device, and manipulating the handle to the second position facilitates securing the lighting device to a member within the article.

18. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
